### Qualities

- Leadership Skills
- Problem-Solving
- Technical Skills
- Teamwork
- Critical Thinking
- Time Management
- Resilience

### Language

- Nepali
- English
- Hindi

My ability to learn quickly and tackle challenges has made me proficient in computer programming, particularly in HTML, CSS, and C programming. I am also skilled in using Microsoft Office and Excel, with growing knowledge in Python. Additionally, my strong communication abilities enhance my teamwork in this dynamic field, where I focus on mastering aerodynamics, propulsion, and avionics.
