

Shree Krishna Devkota

BE (AERO SPACE ENGINEERING)

Profile

I am pursuing my career as Aero Space Engineer in Pulchowk Campus. As a dedicated Aerospace Engineering student pursuing a BE, I thrive on solving complex challenges with innovative solutions.

My ability to learn quickly and tackle challenges has made me proficient in computer programming, particularly in HTML, CSS, and C programming. I am also skilled in using Microsoft Office and Excel, with growing knowledge in Python.

Additionally, my strong communication abilities enhance my teamwork in this dynamic field, where I focus on mastering aerodynamics, propulsion, and avionics.
